

RESOLUTION NO. 17-08-21b
2019-2023 City of Socorro ICIP

WHEREAS, The City of Socorro has participated in the Infrastructure Capital Improvements Plan (ICIP) since 1992, and;

WHEREAS, On August 21, 2017 (by resolution), the City of Socorro adopts and confirms the list of projects included in the five-year Infrastructure Capital Improvements Plan for 2019-2023, and;

WHEREAS, By the submission of the City of Socorro's ICIP, the City's current capital improvement needs have been outlined and prioritized by the Governing Body, and;

WHEREAS, As the City of Socorro will be seeking funding from the CDBG Program, the New Mexico State Legislature and other available State sponsored funding sources, priority and rank of the projects are essential.

NOW, THEREFORE, be it resolved by the Governing Body of the City of Socorro that the items listed below are the City's **top five priorities** (ranked in order of priority) for the upcoming fiscal year and the 2019-2023 ICIP:

1. General Repaving
2. Highway 60 Improvements (The addition of 1 or 2 lanes entering the City limits.)
3. Workforce Training Facility at Old High School (with Finley Complex Remodel)
4. Rodeo/Recreation Facility
5. Texas/Vermont/B Street Reconstruction & Drainage/(tie) Landscaping/Beautification of the South I-25 off ramp at exit 147

*Other projects receiving prioritization from the City Council, listed in order of priority, were: the covering of the City swim facility.

And furthermore recognize that, since the adoption of the last ICIP, and in conjunction with the City's 2018-2022 ICIP planning process, the following projects have been completed or are very near completion:

Projects completed include:

1. Refurbished lift station in Hefner Addition.
2. The RV park, animal stalls and practice arena at the rodeo arena have been completed.
3. Fog sealing and striping of airport runways.
4. Installation of water, wastewater and fire hydrants at Cottonwood Valley Charter School.
5. Completed the second MAP project on Fairgrounds Road.
6. Completion of the WWTP phase 1 upgrades (influent pumps, control panel, bar screen).
7. Chip and fog sealing (including striping) of El Camino Real.

Projects which appear on the City’s ICIP for which the City has acquired partial funding or which are underway and could be complete (in whole or in phases) in 2018 include:

1. Recreation and Rodeo Facility (Rodeo/Soccer) – Expansion of RV Park facilities, continued lighting and landscaping improvements and more covered stalls.
2. Phase V of Cuba Road Drainage Improvements Continuation – The four previous phases have been complete. CDBG application submitted 6/23/2017.
3. Municipal Airport – Additional funding secured for pavement rehabilitation on taxiway A and runway 6-24. Installation of PAPIs on runway 15-33 as well as installation of a new fuel farm.
4. Fairgrounds Road Intersection and Drainage Project along with 2000’ of a new water main with 3 fire hydrants.
5. Opening of cell 1 and intermediate closing of cell 2 at the City Landfill.
6. South 6th Street lift station refurbishing.
7. Complete landscaping design and installation of trees and shrubs for Enterprise and Grefco Roads.

Passed, Approved and Adopted this 21st day of August 2017.
