

SECTION 00111
ADVERTISEMENT FOR BIDS
CITY OF SOCORRO
SOCORRO, NEW MEXICO
WASTEWATER COLLECTION LINES

Sealed Bids for the construction of the Wastewater Collection Lines, IFB No. 092220b, will be received by the City of Socorro at the City Hall, 111 School of Mines Road, Socorro, NM 87801, until 1:30 p.m. local time on September 22, 2020, at which time the Bids received will be publicly opened and read.

The project is located in Socorro, New Mexico and includes the installation of new 8", 10", 12", and 15" SDR35 PVC collection lines, new 4' diameter manholes, connections to existing manholes, connections to existing lift station, new sewer services, new lift station, including electrical, controls, concrete, etc., abandonment of existing lift station and manholes, the rehabilitation of existing 8", 10" and 12" collection lines, reestablishment of sewer services, rehabilitation of existing manholese, pipe bursting of existing 6" and 8" collection lines, pavement and concrete patching and other incidental work identified in a base bid schedule and two additive bid schedules, to complete a project within the available funding.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis, with additive alternate bid items as indicated in the Bid Form. The Owner reserves the right to adjust quantities included in the Bid Schedule as necessary to provide a complete project with the available funding.

The Issuing Office for the Bidding Documents is: DENNIS ENGINEERING COMPANY, 6020 Indian School Road, NE, Albuquerque, NM 87110, (505) 281-2880. Prospective Bidders may examine the Bidding Documents at the Issuing Office on Mondays through Fridays between the hours of 8:00 a.m. and 5:00 p.m. Prospective Bidders are invited to navigate www.decnm.com and register under the Portal section, located in the upper-right of the above website, to obtain access to Bidding Documents, or Prospective Bidders may obtain copies of the Bidding Documents from the Issuing Office as described below.

The Bidding Documents also may be examined at the following locations:

City of Socorro
P.O. Box K (111 School of Mines Road)
Socorro, NM 87801
(575) 835-0240

Construction Reporter
4901 Mcleod Rd NE, STE 200A
Albuquerque, NM 87109
(505) 243-9793

Printed copies of the Bidding Documents may be obtained from the Issuing Office, during the hours indicated above, upon payment of a deposit of \$200.00 for each set. Bidders who return full sets of the Bidding Documents in good condition (suitable for re-use) within 10 days after receipt of Bids will receive a full refund. Checks for Bidding Documents shall be payable to "DENNIS ENGINEERING COMPANY". Upon request and receipt of the document deposit indicated above plus a non-refundable shipping charge, the Issuing Office will transmit the Bidding Documents via delivery service. The shipping charge amount will depend on the shipping method selected by the prospective Bidder. The date that the Bidding Documents are transmitted by the Issuing Office will be considered the Bidder's

date of receipt of the Bidding Documents. Partial sets of Bidding Documents will not be available from the Issuing Office. Neither Owner nor Engineer will be responsible for full or partial sets of Bidding Documents, including Addenda if any, obtained from sources other than the Issuing Office.

A pre-bid conference will be held at 1:30 p.m. local time on September 3, 2020 at the City Hall located at 111 School of Mines Road, Socorro, NM 87801 and via **GoToMeeting Web Conferencing**. Representatives of the Owner and Engineer will be present to discuss the Project. Bidders are **REQUIRED** to attend and participate in the conference. Failure to attend the pre-bid conference by a Bidder will result in the rejection of their Bid. Bidders shall provide their contact information when obtaining bidding documents from the Engineer or submit interest in attending the Web Conference to the Engineer a minimum of 24-hours in advance of the Pre-Bid Conference.

Bid security shall be furnished in accordance with the Instructions to Bidders.

Section 746 of Title VII of the Consolidated Appropriations Act of 2017 (Division A – Agriculture, Rural Development, Food and Drug Administration, and Related Agencies Appropriations Act, 2017) and subsequent statutes mandating domestic preference applies an American Iron and Steel requirement to this project. All listed iron and steel products used in this project must be produced in the United States. The term “iron and steel products” means the following products made primarily of iron or steel: lined or unlined pipes and fittings, manhole covers and other municipal castings, hydrants, tanks, flanges, pipe clamps and restraints, valves, structural steel, reinforced precast concrete, and construction materials. The de minimis and minor components waiver apply to this contract.
